9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3000	Setting up for an official Junior Parkrun in Salisbury	Start a Junior Parkrun UK in Salisbury	£3500.00
Project Description: We are hoping to bring the Junior Park Run Salisbury to our city once we have raised the required £3,000 funding. The Junior Park Run is a free timed 2KM run or walk for children from the community aged 4-14 years. This would take place every Sunday morning at 9am in Churchill Gardens Park Salisbury. It will provide healthy exercise and will build a sense of community through participation and volunteering. Salisbury Junior Park Run will be operated as part of Park Run UK which already has 236 Junior Park runs taking place every weekend in the UK. We have permissions from Salisbury City Council to use the gardens at this time. The Parkrun model is set up and run by unpaid volunteers which does not generate funds once established. However the core group of volunteers are required to raise an initial start up fee of £3,000 plus the cost of an AED defibrillator and many other necessary equipment costings detailed below. Park Run UK then provide the course equipment plus the governance IT system and websites for this event to run successfully. We intend to seek further funding from Sport England, local athletic clubs and from our GoFundMe page.			
Input from Community Engagement Manager: The application meets with the grants criteria and supports many of the area board's community priorities in terms of healthy lifestyles, positive activities for young people and social cohesion. The application includes both capital and revenue costings, and therefore the board is requested to contribute £1750 from the community area grant budget and £1750 from the youth budget.			
Proposal That the Area Board determines the application.
