Consultation on Schedule of Proposed Changes (September 2018)

The Schedule of Proposed Changes should be read in conjunction with the Wiltshire Housing Site Allocations Plan - Submission Draft Plan July 2018 (WHSAP/01). The Schedule of Proposed Changes relate to the matters presented through the pre-submission consultation undertaken in 2017 and subsequent Cabinet/full Council meetings prior to the Plan being submitted. They therefore comprise:

- Changes set out in the council's Cabinet report;
- Changes set out following full council;
- Changes made to evidence documents and the Plan to reflect factual updates that have arisen since formal consultation in 2017; and
- The correction of minor typographical errors identified post submission.

Representation(s) to the Wiltshire Housing Site Allocations Plan made through the formal consultation in Summer 2017 have already been submitted to the Inspector and should not be repeated. Any comments received in relation to the matters set out above, will be forwarded to the Inspector for consideration as part of the overall process of examining the Wiltshire Housing Site Allocations Plan. Please refer to the accompanying Guidance Note for further information.

Six new site allocations provide land for approximately 800 1,050 dwellings and have the potential to increase their capacity to make the best use of land. PC26	Paragraph 4.53		Factual update to reflect the latest published Housing Land Supply Statement (March 2018) and PC55, PC60, PC64 and PC70.	Amend paragraph to read: “One main reason for a shortfall in land supply is the complexity and consequent delay developing Ashton Park, a south-eastern extension to the town. 1,600 1,350 dwellings will be built on this site in the plan period and a further 4,000 1,250 post-2026; rather than first envisaged that the whole of the allocation would have been completed in the plan period.
