Burglaries

Unfortunately East CPT has seen a rise in burglaries over the past weeks, due to this we have now ensured this is a priority for East CPT.

Alongside our increased patrols we are offering the following security advice to residents;

To improve the security in and around your home we are asking residents to remember the following advice:

- *Lock your doors and windows every time you leave the house, even if you're in the garden, and make sure you have approved locks or bolts on all doors and windows*
- *Never leave a spare key in a hiding place like in a plant pot or letterbox - a thief knows all the hiding places*
- *Keep all keys, purses and wallets out of sight and away from the letterbox*
- *Consider installing a burglar alarm, and only use a company that is registered or certified with the NSI or the SSIAB*
- *Do not open the door to anyone you don't know or are not expecting. Always check by using a spy-hole or look through a window*
- *Make sure that you have up to date contents insurance*
- *Register all serial numbers from electrical items, tools and garden equipment with Immobilise.com (the free national property register). Mark items without serial numbers with an artificial DNA property marker such as Smartwater or SelectaDNA*
- *Do not keep large amounts of cash at home - it is much safer in a bank or building society*
- *Trim back any plants and hedges at the front of your property to no higher than 1 metre to remove hiding places*

- *Always report any suspicious activity, note any vehicle registrations, descriptions of persons involved and direction of travel*
- *Use a timer to set lights to mimic your usual activity when you are not at home*
- *Take photographs of all jewellery including hallmarks and keep them safe. Also consider using an artificial DNA property marker on jewellery or other valuable items*
- *Make sure any bolts are low enough so they cannot be opened by reaching over the top of the gate.*

Two people were arrested in Marlborough yesterday following patrols relating to modern slavery.

Officers have been conducting patrols of the High Street over the past 24 hours, looking out for signs of exploitation.

At 5pm on 18 September, they attended a nail bar on the High Street and located a 17-year-old male acting suspiciously at the premises.

Further checks were conducted by officers and it was found that the male was in the country illegally.

He was arrested on suspicion of entering the UK illegally.

A 34-year-old woman at the premises was also arrested on suspicion of human trafficking.

Both were taken to Melksham custody where they remain for questioning.

PC Emily Grigor, Wiltshire East Community Coordinator, said "These arrests were made as a result of proactive patrols by officers who have been specifically looking out for signs of modern slavery.

"This is a great piece of work by local Community Policing Team officers, and it further emphasises the importance of officers and members of the public recognising the signs of modern slavery."

Modern Slavery is the recruitment, movement, harbouring or receiving of children, women and men through the use of force, coercion, deception, and abuse of vulnerability or other means for the purpose of exploitation.

Individuals may be trafficked into, out of or within the UK, and they may be trafficked for a number of reasons including sexual exploitation, forced labour, domestic servitude and organ harvesting.

Often, people may not see themselves as victims.

What are some of the signs of exploitation?

- Lack of personal protective equipment
- Chaperoned or accompanied everywhere
- Money being withheld from them
- Language barriers
- Working long hours
- Lack of possessions
- Passport held by someone else

If you suspect someone is being exploited, call police on 101.

Thank you to the lovely people who stopped to help George after he had fallen over near Hyde Lane.
 George is fine, just has a bump on his head.

Trading standards & Wiltshire Police were in George Lane today giving advice and information to residents after a recent doorstep crime. People who sell door to door are committing an offence if they do not have a pedlars licence and should not cold call at your home. If in doubt don't answer the door. 🏠 🚔

Dangerous and Persistent offenders

Work is continuing with our SWITCH nominals, (those who are identified as persistent and prolific offenders), including intelligence gathering and relevant actions following dissemination. We currently have two nominals within the East Policing Area classified as such and we work closely with our SWITCH team members and partner agencies to manage these offenders.
