TBC	Wiltshire Youth for Christ	Youth Work vehicle	£7,000

Project Description:

Wiltshire Youth for Christ have the opportunity to purchase the "BIOS" van from Swindon YFC and bring it to Wiltshire. This is an award winning unique provision that has been used around the Swindon area for several years but is no longer used due to a change in focus towards sports activities. The van's size is ideal for the needs of the successful Summer Pop Up events and would enable many other activities throughout the year.

This resource would be a fantastic asset to help in rural locations where provision can be limited and access an issue. Its unique abilities sets it apart from minibus or transit van alternatives for support and equipping community groups and organisations.

That the Area Board determines the application on the basis of £3,500 from the Community Area Grants fund and £3,500 from the Local Youth Network Funds
