Proposal That the Area Board determines the application.

3115	Pewsey Heritage Centre	PHC Education Centre New Kitchen and Toilet	£5000.00
Project Description: At present users of the Pewsey Heritage Centres PHC company-owned Education Centre have to use the toilets and kitchen facilities in the main museum. This means that the Education Centre cannot be used when the main museum is shut e.g. evenings Sundays and the closed season November to March restricting its availability to local businesses and organisations and limiting fund-raising opportunities for PHC. This project will utilise some of the existing storage space in the Education building by installing a fully accessible unisex toilet facing the carpark and a kitchen facility facing the river.
