### 7. Costs/quotes/ match funding? (total cost £5k require 1 quote, total cost £5k-25k require 3 quotes)

This bid is for £5,000 – representing approximately 50% of the cost of the base build for the BMX track without ancillaries.  
The cost of the project is anticipated to be between £50,000 - £71,000, with the cost of ancillaries such as lighting and fencing as extra.  
This is the first bid for funding and, should it be successful, would constitute the basis for future bids to other funding sources.
