| No | Name     | Period of use in years                                   | Years of use in rel. period | Nature of own use   | Nature of observed use  | Notes   |
|----|----------|--|-----------------------------|---|---|---|
| 10 | R Coles  | 1978 – 2016  | 19                          | Children's play, flying kites, building snowmen, dog walking and other activities.  | Dog walking often large groups                                      | Had a gate leading directly into field. Walked dogs daily 1990 to 2015. |
| 11 | W Coles  | Born 1984. As a young child and teenager (c.1989 – 2000) | 4                           | Played there as a child with friends, pretending to ride horses, make up dance routines, design obstacle courses for dogs, running round and making dens. |   | Parents house had a gate leading directly into field.                   |
| 12 | J Davies | 1998 – 2017  | 18                          | Walks, playing football and rugby. Dog walking.   | Especially popular with people walking dogs                         | Used regularly but did degree at Portsmouth Uni.                        |
| 13 | C Davies | 1998 – 2017  | 18                          | Walks, ball games with children who also ran around the field. Walking route into Trowbridge. Dog walking (2007 – 2015)                                   | Invariably sees many other local people using the field             | Have used the field "hundreds of times"                                 |
| 14 | T Davies | 1998 – 2017  | 18                          | Weekend walks around the field. 1998 – 2010 kite flying and ball games. 2008 – 2015 dog walking. Walking route to Trowbridge.                             | Typically would see 3 or 4 groups of people in the field often more | Used the field on hundreds of occasions and regularly                   |
| 15 | S Kenich | 1987 – 2017  | 20                          | As a child for walking and playing with family and dog. Now uses to walk dog and daughter, ball games, meet friends, watch sunset.                        | Meets new and old friends   |   |

| No | Name              | Period of use in years | Years of use in rel. period | Nature of own use  | Nature of observed use   | Notes  |
|----|-------------------|------------------------|-----------------------------|--|--|--|
| 16 | K and C Warr      | 2007 – 2017            | 10                          | Walking. Cross the field as a short cut to church.   | Mrs Warr lived for 20yrs elsewhere in Hilperton and saw many people access the field. Current house overlooks the field and they see many people walking and running in the field. | Notes that a few houses have gates onto the field.                                       |
| 17 | I and A Moore     | 1997 – 2017            | 20                          | Dog walking. Children playing football.  | Walkers and joggers, games, kite flying etc  | His mother walked dogs in the field in the 1960s   |
| 18 | N Walker          | 2008 – 2017            | 9                           | Dog walking twice a day around the circumference and on FPs.   | Dog walking and sun bathing.   | Recalls cows in the field. Also that Hilperton Parish Council planted trees in the field |
| 19 | L, M and S Wilcox | 1996 – 2017            | 20                          | Dog walking,   | Children's activities, flying kites and model aeroplanes. Brownies, Scouts and cubs nature activities and camping. Exercise, games, walking and running.                           | Some dog walkers drive there from elsewhere  |
| 20 | H Davies          | 1998 – 2017            | 19                          | Walking and dog walking 2007 – 2015  | Many other people enjoying walking around the field  |  |
| 21 | J A S Waring      | 1983 – 2015            | 18                          | Her children made daisy chains, camps and practised for Brownie and Guide badges. Walked dogs most days. | Kite flying, model aeroplanes.   |  |

| No | Name        | Period of use in years  | Years of use in rel. period | Nature of own use  | Nature of observed use  | Notes  |
|----|-------------|-------------------------|-----------------------------|--|---|--|
| 22 | K J Waring  | 1983 – 2015             | 18                          | Almost daily dog walking and training  | Seemed like a public space. Other dog walkers.  |  |
| 23 | C Hart      | 2007 – 2017             | 10                          | French cricket, rounders, kite flying, wild flower collecting. Dog walking from 2009.  | Brownies bug hunts, nature trails and map reading.  | The entire field is in use not just the footpath       |
| 24 | P hart      | 2007 – 2017 (born 2003) | 10 but as a child           | Walking dog (roughly 1716 times). Built snowmen and igloos. Football, French cricket, Frisbee. Watching sunsets.               | Plays football, French cricket and Frisbee with friend  |  |
| 25 | H Hart      | 2007 – 2017             | 10                          | Walking with dog and family. Two children building snowmen, playing rounders, football, flying kites and playing with friends. | Local schools and clubs for treasure hunts and trails by running club.                          | Children used to watch planes coming and going in 1944 |
| 26 | I Hart      | 2007 – 2017             | 10                          | Walking, cartwheeling and cycling. Helicopters and a hot air balloon have landed there.  | Can see field from her bedroom. Perhaps 100 people come and go during the day. Often in groups. |  |
| 27 | S Lacey     | 1992 – 2017             | 20                          | Walked dogs and children. Played rounders, cricket, flown kites and had fun with snow.   | Regularly sees everyone having a lovely time in the field when she visits the cemetery          |  |
| 28 | H Whitehead | 2008 – 2017             | 9                           | Walks with children, to town, dog walking, socialising and running. Almost daily use.  | People use it as open space.  |  |

| No | Name     | Period of use in years | Years of use in rel. period | Nature of own use   | Nature of observed use   | Notes |
|----|----------|------------------------|-----------------------------|---|--|-------|
| 29 | E Clark  | 1993 - 2017            | 20                          | Annual blackberry picking, wandered at will with young son, dog walked almost daily from 2002. Played football, kite flying, snowball fights etc with sons. | Meet others for socialising when snowing   |       |
| 30 | D Harvey | 1993 – 2017            | 20                          | Picnics and rounders. Blackberry picking in autumn, birdwatching in spring and snowman building in winter. Has used all parts of the field.                 | Model planes. Air Ambulance practices here. Dog walking, flying kites and children chasing each other. |       |
| 31 | S Harvey | 1993 – 2017            | 20                          | Dog walking, kite flying and occasional picnic.   | The field is busy with dog walkers and very rarely is there no one in the field                        |       |
| 32 | N Harvey | 1996 – 2017 born 1996  | c.16                        | Playing, building snowmen, kite flying and rounders. Walking dogs. Building dens and playing hide and seek.   |  |       |
