### **Chairman's Announcements**

#### **Library Service Review**

The Wiltshire Library Service Review has culminated in a decision by cabinet on 25 January to accept the proposals outlined in the Library Service review paper.

A summary of the proposals is available in the document provided tonight which has section for comments that can be completed and returned to the council.

The proposals include inviting members of the community to get involved in volunteering in their libraries and the document has a reply section for those interested to get in touch.

The key points for libraries in this area are:

- All mobile library stops will continue to operate
- Downton library opening hours will be reduced from 26 to 14 hours a week
- New self service technology will be introduced to all libraries to improve efficiency and help communities extend library opening hours through support from volunteers, who will be trained and supported by Wiltshire library staff
