**Please state the ground(s) for review (please read guidance note 1)**

In August 2010, police made an application for a review of this premise licence, primarily based up on poor management practices and high levels of crime and disorder. The outcome of the review was that the Licensing Committee considered that additional conditions were necessary to promote the licensing objectives.

However the police continue to have concerns in respect of the management of this premise. Poor practice has and continues to have a negative impact on the licensing objectives. Police still find that unacceptable levels of crime and disorder are associated with the venue.

Police and Wiltshire Council officers have found the premise to be in breach of a number of the additional conditions over a period of four months. In addition conditions already attached to the licence have been breached on numerous occasions.

The evidence collected since the review in August lead the police to believe that there are compelling circumstances that necessitate a further review

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

- Police will provide evidence of crime and disorder associated with the venue.
- Police find that the venue continues to consistently feature prominently in the statistical analysis of alcohol related arrests within the county.
- Three members of staff including the Designated Premises Supervisor are currently on court bail awaiting trial charged with violent and or offences against police. All three offences were alleged to have taken place either on or immediately outside the premises.
- Police will provide evidence of breaches of the premises licence and inadequate policies and procedures, detected by visits, crime investigation and intelligence.
- Police find that the premise licence holder and responsible person do not promote the licensing objectives and have displayed a disregard for the licensing legislation.
- Police find that persons frequenting the premises consume alcohol to excess which does lead to criminal and disorderly behaviour. This excessive consumption has a negative impact on the community and directly on public safety through harm to individuals.
- Police find that the premise does not actively engage with Chippenham Pubwatch.
- Police find that children are not adequately protected whilst frequenting the venue, as the premise does not have any clear procedures to ensure the safety of children on the premise.
