1. Background

The recommendation from the Health and Wellbeing Group has been made in accordance with the following guidelines:

- **Health and Wellbeing Groups Spending Guidelines**

2. Main Considerations

- 2.1. Councillors will need to be satisfied that Health and Wellbeing Groups awarded in the 2019/2020 year are made to projects that can realistically proceed within a year of it being awarded.
- 2.2. Councillors will need to be assured that carers, older and/ or vulnerable people will benefit from the funding being awarded. The money must be used to invest in projects that will support adults living within a community area. While not exclusively restricted to older people, the investment should be made in such a way as to make the maximum impact on health and wellbeing within a given community area.
- 2.3. Councillors will need to ensure measures have been taken in relation to safeguarding older and vulnerable people.

3. Environmental & Community Implications

Health and Wellbeing Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure

- 4.1. South West Wiltshire Area Board was allocated £7700 in 2019/20.
- 4.2. The South West Wiltshire Area Board Health and Wellbeing Funding balance for 2019/20 is £7,879 (including underspends from the 2 previous financial years).
- 4.3. All decisions must fall within the Health and Wellbeing Funding allocated to Southern Area Board.
- 4.4 If funding is awarded in line with the Health and Wellbeing recommendations outlined in this report

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Ensuring that Community Area Boards and Health and Wellbeing Groups fully consider the equality impacts of their decisions in designing local positive activities for vulnerable people and carers is essential to meeting the Council’s Public Sector Equality Duty.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard carers and vulnerable people benefiting from these projects. The Community Engagement Manager has assessed this application and agreed it meets safeguarding requirements.

9. Applications for consideration

Applicant	Project Proposal	Requested
Carers Support Wiltshire	Make A Friend, Be A Friend	£3620
<p>Project description</p> <p>Loneliness and isolation are a huge problem amongst the elderly. In South Wiltshire, nearly 3,000 people aged 65 or over feel lonely or isolated.</p> <p>Elderly carers are twice as likely to feel lonely as their peers. Of the estimated 1,279 unpaid carers aged 65 or over in the South Wiltshire area, more than 470 feel lonely sometimes and an additional 320 feel lonely all the time.</p> <p>We’d like to reach South Wiltshire residents who may be lonely, and connect them with local organisations and groups which can offer friendship and social inclusion. We will work with other organisations such as Age UK and Alzheimer’s Society to ensure respondents are also referred to appropriate sources of support..</p> <p>See Appendix 1 for full details of the application.</p>

<p>Project description</p> <p>There has been no fete in the five communities of Compton Chamberlayne, Fovant, Sutton Mandeville, Sutton Row and Chicks Grove for several years. This new fete is intended to serve them all and bring people of all ages together within each community and across the five communities. It is also hoped to build on the 'sense of place' that already exists due to all five communities falling in the distribution area of our much valued community magazine of the same name. It is hoped that the success of this year's inaugural fete will be the springboard for future fetes. (98)</p> <p>See Appendix 3 for full details of the application.</p>
