1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2019/2020 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

Application ID	Applicant	Project Proposal	Requested
3296	Deverills Archaeology Group	Geophysical Surveying	£2944.00

Project Description:

The Deverills Archaeology Group is an established community group comprising over 80 members. Our long term ambition is to provide a comprehensive account of the rich archaeological heritage of the valley. The first step is to survey the valley. To date we have been trialling geophysical surveying equipment relying on borrowed equipment. Its availability has not always coincided with appropriate weather conditions or the farming calendar. The next phase of our project requires us to have our own geophysical equipment so that we can undertake surveys at shorter notice in suitable weather and in concert with the farming calendar.

Input from Community Engagement Manager:

This application fulfils the necessary criteria for a community area grant.

Proposal

That the Area Board determines the application.
