The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

E-zec Medical Transport Services provide non-emergency patient transport across BaNES, Swindon, Wiltshire and Gloucestershire

From 1 June 2019 the non-emergency patient transport service in Bath and North East Somerset, Gloucestershire, Swindon and Wiltshire will be provided by E-zec Medical Transport Services - a family run company focused on delivering high quality, safe, effective transportation for patients to and from a healthcare setting.

Non-emergency patient transport is for patients who, due to their mobility needs or medical condition, are unable to travel safely by other means. Patients who wish to use the service are required to be assessed against national eligibility criteria. E-zec expect to complete around 180,000 patient journeys each year across B&NES, Gloucester, Swindon and Wiltshire.

Mark Harris, Chief Operating Officer, Wiltshire CCG said: "We are delighted to partner with E-zec as our provider of non-emergency patient transport across the region. We have been working closely together since their appointment in December 2018 to ensure eligible patients have a great experience when using the service."

Arriva Transport Solutions Ltd provided the non-emergency patient transport service until their contract ended on 31 May 2019.

Our Health Our Future – engagement to support BSW five year plan

In mid-June, we will launch the Our Health Our Future campaign aiming to find out what local people think about health and care issues so their views can be fed into the development of our local five year plan. This is the first piece of engagement jointly coordinated by BaNES, Swindon and Wiltshire (BSW) Clinical Commissioning Groups.

The campaign is based on an online survey, supported by a booklet including a hard copy of the survey, social media and by getting out and about to events across the region over the six week period to the end of July.

We will be asking people three questions:

- What's the one thing you wish you'd known sooner to help you be as healthy as possible?
- What's the one thing that would help you to find and use health and care services more easily?
- What's the one thing that would help to make a difference to your health and care in the future?

The survey will be online from 13 June 2019 at www.bswstp.nhs.uk/ourhealthourfuture

We would appreciate any help you can give in spreading the word about Our Health Our Future and encourage you, your family and friends to complete the survey to help shape the future of health and care across B&NES, Swindon and Wiltshire.
