# Britain's energy system needs to change.

**Smart meters will help us upgrade to an energy grid fit for the 21<sup>st</sup> century.**

We all want to do our bit for the environment and reducing energy waste is part of this.

Would you like to find out more about the benefits of smart meters? Will and Joe from the Centre for Sustainable Energy will be at Sutton Benger Village Hall on July 17<sup>th</sup> at 6.30-8pm to help you understand the smart meter rollout, offer advice on saving energy at home and answer any questions you may have.
