1	<p><u>Actions completed:</u></p> <ul style="list-style-type: none"> <li>a. Clarification secured that the Justice Traffic department is not currently able to accept dashcam evidence for traffic offences other than collisions. This is under review.</li> <li>b. Matthew Stops – Dorset &amp; Wiltshire Fire &amp; Rescue Service representative has been confirmed for the South West Wiltshire Area. Karen to liaise with him and invite him to future meetings.</li> <li>c. Group agreed in February to recommend to the area board that it issue a communication to the general public with the best numbers and systems to use when wishing to report speeding issued 30<sup>th</sup> April</li> </ul>

	<ul style="list-style-type: none"> <li>• it was unfortunate that neighbouring and further afield county's did not operate speedwatch schemes, as this therefore limited Wiltshire Police power in taking action against those offenders living outside of the county</li> <li>• police work on tackling drug misuse was a major priority and officers were involved in partnership and ongoing operations around this. It was often the case that drug misuse would be a component in any investigation of a murder or serious anti-social behaviour incident</li> <li>• referred to the Police and Crime Commissioners recent letter on the need to make it easier for victims of domestic abuse to report issues and to seek intelligence on a partner's previous convictions</li> </ul> <p>The following key points were made during the ensuing discussion:</p> <p>e) clarification would be sought on whether or not Wiltshire still ran speed awareness courses as an alternative to receiving a fine and licence points</p>

5	<p><u>Wiltshire Council Service Update including from 4<sup>th</sup> June Area Board</u></p> <p>Karen updated the group regarding the role and work of the council's Community Safety team, which worked with partners to tackle issues of crime and community safety. She suggested it a possibility to invite a member of the team to a future meeting to perhaps highlight those high level crimes and issues that the team had been tackling in the community area. Mike Davidson explained that he, Karen and Merv had met with the team co-ordinator earlier in the year to explore how stronger links could be established between the county's Community Safety Partnership group and with local area community safety groups.</p> <p>Karen also talked the group through the discussions and key matters arising from the area board's public debate on local drug and alcohol misuse at the 4<sup>th</sup> June board meeting. The group noted the potential for the following, and that these would be pursued over the coming months:</p> <ul style="list-style-type: none"> <li>• a scrutiny exercise into issues such as youth drug taking and school support for those on the verge of exclusion because of drug misuse;</li> <li>• local action to support schools needing more volunteers to read to children whose parents struggle to support them in their education due to drug/alcohol misuse</li> <li>• help with the county's public health campaign in November to raise awareness of the issues around alcohol misuse</li> </ul>
