LOCAL PRIORITIES

PRIORITIES FOR WILTSHIRE EAST CPT	UPDATE
Priority 1: Anti Social behaviour	
<p>Due to vehicles being used in an anti-social manner around the Pewsey area, in particular Olympian Road & Vale Road, officers are conducting mobile patrols at various times of the day and night.</p>	<p>PCSO's and PC's are patrolling the area on foot and in vehicles with the help of our Special Ops colleagues (Firearms/dogs)</p>
Priority 2: Rural Crime	
<p>It is imperative that we maintain a high visible presence within our rural county. Albeit the weather is now turning we're still aiming to patrol our Beauty Spots and rural sites including churches. Due to their rural nature and number of visitors, they do unfortunately become a target of crime. These patrols are now including farm land by the permission of the land owners</p>	<p>Patrols are being conducted at all times of day and night, and we have increased these at locations such as churches and farms. We will often advertise these patrols on our social media pages to show the local community what we have been up to. We also took part in a national week of action from 06th October where we had an increase in dedicated staff for our rural communities.</p>

Priority 3: Community Speed Watch

Keeping our roads safe is extremely important within our area as we have several A Roads that pass through our County.

We will be receiving fortnightly updates from our Community Speed Watch Teams with specific areas to target. It is important that we work with the general public to identify unsafe road users within our county. We hope to show how hard we will be working to target the roads through our Social Media updates and cooperation with Community Speed Watch Schemes

Continued high visibility patrols combined with speed checks in the area. We will advertise some of these checks on our social media pages.

Priority 4: Burglary

We have seen an increase in reports of both domestic and commercial burglaries within the East Sector.

Due to this patrols are being carried out at all times of day & night by officers.

The East sector is a large and very rural sector and we therefore encourage you to report any suspicious behaviour in your area.

Patrols are being conducted by officers and PCSO's. During November Wiltshire Police is running a winter burglary prevention campaign for which we will be taking part in additional activity.

HIGH LEVEL PCC UPDATES

- **Recruitment** - Police officer recruitment continues with more than 500 applications received so far since the campaign launched on 23 September. Wiltshire Police is accepting applications until Sunday 13 October.
- **Community work** - In September PCC Angus Macpherson awarded a total of £22,500 from the Police Property Act to projects across the county which make a difference in their communities. Beneficiaries include a drop-in service for homeless people, a 12-week personal development course for unemployed young people and a pilot project using photography to engage with young people at risk of offending or exploitation. Full details are available on our website.
- **Herbert Protocol** – The PCC was proud to join Wiltshire Police, Swindon Borough Council, healthcare partners, Swindon Carers Centre and the Alzheimer's Society at the launch of the Herbert Protocol last month. It comprises of a document in which carers, family and friends of vulnerable adults can fill out key details about the individual as a pre-emptive measure in case they later go missing. This will enable the police to start their initial enquiries sooner with the aim of finding the missing person safe and well.

HIGH LEVEL FORCE UPDATES

- **County Lines** – The issue of gangs transporting Class A drugs from major cities such as London and Manchester into rural counties, is one which is attracting significant media attention. Here in Wiltshire we are raising awareness of the problem, and specifically the impact these crimes have on the wider community, as they are often linked to modern slavery and organised crime, with children and vulnerable adults being exploited. Please look out for local media coverage, or go to our website for more information.
- **Domestic abuse** – This month we are highlighting the work Wiltshire Police is doing to tackle domestic abuse, including educating the public about the support that is available for victims. This campaign will include a young mother, who has been the victim of domestic violence, speaking out about her story in the hope that she can encourage other victims to come forward and get support.
- **Rural crime** - During the beginning of October we are taking part in a national week of action targeting rural crime. Our work will include providing crime prevention advice and encouraging residents to report all incidents to the police, as well as having our Community Policing Teams and the Rural Crime Team out and about engaging with our rural communities.
