Statement in Support of Application for Dispensation

This is with reference to Steeple Langford Parish Council. I am a newly elected Parish Councillor.

I require a dispensation with regard to any matters relating to Steeple Langford Allotments (including discussions regarding Affordable Housing on the site).

I am a Steeple Langford Allotment Trustee. I do not however consider myself to have any prejudicial interest as I am not an Allotment Holder and neither myself or my family have any further interest in the site. i.e. I would not & do not benefit in any way from activities on the site.

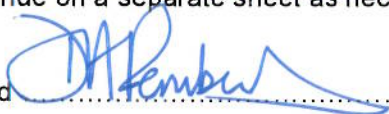

The Parish Council is currently unable to form a quorum to discuss or vote on matters relating to this business, hence this request for dispensation.

I am requesting dispensation on this matter for the remaining duration of this council.

I understand that the PC Chairman is writing to outline the interest of other Parish Councillors in relation to this business.
