Hi Peter,

Thank you for your email.

I confirm we are in agreement to the following condition being attached to the Premises Licence:-

- Windows and doors shall be kept closed while regulated entertainment is taking place except for access and egress.

I have also passed your comments on to our Business Development Manager and licensee regarding the windows.

In light of the above, I would be grateful if you could confirm that your objection has now been withdrawn.

I look forward to hearing from you.

Kind regards.

Dear Natasha,

I write further to receipt of the above application and further to our conversation this morning.

After reviewing the application, and existing premises licence, I am concerned about the lack of restrictions relating to the control of windows and doors while regulated entertainment is taking place. I have visited the site recently and note the residential properties lying nearby. I am concerned about the impact of the proposed regulated entertainment on people living nearby if windows and/or doors were to be left open. I would therefore recommend that the application is amended to include the following provision:

1. Windows and doors shall be kept closed while regulated entertainment is taking place except for access and egress.

Could you please confirm whether you are agreeable the recommended amendment? Please copy in Debbie Mulvey from the Licensing Department, who I have copied in here, to any reply.

As an aside I would also comment that during my visit to the premises I had a look at the windows currently serving the premises. They appeared quite old single glazed windows, with wooden and not particularly well sealed frames. The regulated entertainment will need very careful management irrespective of the amendment above in order to ensure that entertainment does not cause a problem for people living nearby. Could I please ask that you forward these comments onto the manager or operator of the pub for their information?

If you need to discuss please contact me on 01722 434 338.

Kind Regards,

Peter
