HM Treasury	Reforms to public sector exit payments.	https://www.gov.uk/government/consultations/restricting-exit-payments-in-the-public-sector	Updated	<p>A 'final' consultation on this topic closed on 3 July 2019. On the 21 July 2020, HM Treasury issued a response to the consultation confirming they were planning to press ahead albeit with some unnamed changes and no named implementation date. It is still unclear on how it will apply to pensions (although we know it will apply).</p> <p>As a reminder, the main proposal is that all employer costs (pension and non-pension) are capped at £95k when an employee leaves on grounds such as a compromise agreement or redundancy. For redundancy, the statutory redundancy payments must be paid so other benefits would need to be adjusted to ensure the £95k is not breached (although some exceptions apply). The consultation is not clear on how this would work in Schemes such as the LGPS. It is likely that LGPS Regulations would need to be changed such that an employee who leaves aged 55 over on redundancy grounds would face some reductions to their pension. For non-redundancy cases, existing employer discretions may become limited.</p>	PEN021
MHCLG	Fair Deal Consultation	https://www.gov.uk/government/consultations/local-government-pension-scheme-fair-deal-strengthening-pension-protection	No change since the last meeting	Officers have responded to the consultation but have yet to hear anything further from MHCLG. The next step is likely to be either another consultation or the introduction of legislation. Due to the Parliamentary backlog, further progress may not be seen until 2021.	PEN040

				<p>Section 5 proposes giving greater flexibility for further education corporations, sixth form college corporations and higher education corporations concerning membership of the LGPS and is the most surprising part of this proposal; current employees would be protected but future employees could be ineligible.</p> <p>The consultation closed on 31 July 2019 and officers responded accordingly.</p> <p>The Government has only responded to section 4 of this consultation and has passed amendments to the LGPS Regulations which applied from 20 March 2020 but with retrospective effect to 14 May 2018. As such, officers amended the Fund's cessation policy which was approved by Committee on 26 March 2020. The consultation period with employers closed with no comments of note (just clarification questions) and hence the new cessation policy is now in place.</p>

Scheme Advisory Board (SAB)	Academies' review	http://www.lgpsboard.org/index.php/structure-reform/review-of-academies	No change since the last meeting	<p>SAB commissioned PwC to produce a report on "Options for Academies in the LGPS" and the report was published in May 2017. The report identified and highlighted problems/issues experienced by stakeholders. No recommendations were made in the report, although the potential benefits of new approaches to the management of academies within the LGPS were highlighted. The proposals were wide ranging from minor alterations to academies being grouped together in a single LGPS Fund.</p> <p>SAB's work is still on-going and Bob Holloway from the LGA previously stated that a wide range of options in both work streams are still be considered. For example, changing the administration arrangements or putting academies into their own Fund etc. However, a consultation will be released on any changes proposed before they are put into force.</p>	None
	Cost cap mechanism & McCloud case	Summary by Hymans Robertson following release of the consultation	Updated	<p>On the 16 July 2020, the Government released a much-anticipated consultation on changes to the Scheme relating to McCloud.</p> <p>Early analysis suggests an increased impact on liabilities of around £5m-£25m (around 0.2%-1%), although the percentage impact will vary by employer.</p> <p>Officers are currently analysing the likely administrative impact of the final legislation if it goes ahead as proposed.</p> <p>Hymans Robertson have produced a useful summary (see left)</p>	PEN042
	Tier 3 employers review	http://www.lgpsboard.org/index.php/board-publications/invitation-to-bid	No change since the last meeting	<p>Covers those Fund employers with no tax raising powers or guarantee (excludes academies).</p> <p>SAB is keen to identify the issues and risks related to these employers' participation in the LGPS and to see if any improvements/changes can be made. There are currently two concurrent phases of work involved – collating data and identification of issues. SAB will then assess the risks to Funds and consider next steps.</p> <p>In 2019, Aon Hewitt produced a detailed report which is available on the SAB website which outlines its finding on the identification of issues but the report doesn't make any specific recommendations. SAB is yet to advise what actions it will take following receipt of the report.</p>	None

However, the SAB did consult on a common set of data points for the part of the project relating to scheme specific conditional data over the last couple of months before deciding to postpone implementation until 2019, in time for the 2019 tPR Scheme Return.</p>	None
