

Tidworth Community Area Health and Wellbeing Group

Tidworth Community Area Health and Wellbeing Group held their last meeting on 19th March this year, just before Lockdown.

Since then, we have conducted our business during the Covid-19 Support and Recovery Meetings (held via Zoom) set up by Richard Rogers (the Community Engagement Manager for Pewsey & Tidworth) and chaired by Cllr Chris Williams.

This has proved a very effective and coordinated way of doing our business.

The next of these Zoom meetings is scheduled for Friday 25th September.

Reia Jones

Chair, Tidworth Community Area Health & Wellbeing Group
