Statement from Margaret Barley, Lacock, Chippenham
Wiltshire Core Strategy**

It has been drawn to my attention that although there were 4 options regarding the expansion of Chippenham mentioned in the October 2009 paper on Strategic Sites, the new document, which admittedly is for consultation, contains only two options both involving massive developments to the south of Chippenham in the Showell area and largely contained within Lacock Parish.

Whilst I do realise that the next stage of the process is one of consultation, I would request that at that meeting it is drawn to the attention of the Cabinet that two very similar options do not really constitute options at all. The impact of this scale of development on the surrounding area - which is some of the best in this part of Wiltshire - and the increased traffic on the A350, which will be further aggravated by extensive development in Trowbridge, will massively change the area to the south and west of Chippenham.

I am also concerned as to the extent of consultation with Lacock Parish Council in arriving at these two "options" and will be pressing it to become extremely proactive in objecting to any such proposals.
