

NAME	DATE RECEIVED	RESPONDENTS	ACTION
Stop Urban Sprawl and Destruction of Wiltshire Countryside – Housing Infrastructure Fund	Petition not formally sent to the Council, however relevant service aware of it.	3,735 Online	Leader and Cabinet Member informed about the petition and petition considered as a representation in relation to the Higher Infrastructure Fund bid. Communications confirm the HIF is about securing funding for infrastructure, should development come forward, and subsequent plans for housing etc would be subject to the usual planning considerations. The Council is currently consulting on road route options and further information can be found here .
Silver Street (Warminster) – Highways Petition, requesting: <ol style="list-style-type: none"> 1. 20mph limit 2. Traffic calming 3. Footpath/pavement protection for pedestrians 4. HGV weight limit & signage. 	12.10.20	68	Local member informed about the petition. A response was provided from the Highways and Transport Service which indicated the matter had been considered by the Warminster CATG, however they did not support the scheme and funding was directed to under priority schemes.
Free School Bus for Larkhill – for children attending Stonehenge Sch, Amesbury. Running until 11/04/21	11.11.20	26 Online	Local Member and Cabinet member informed about the petition. A response was provided explaining children from Larkhill are not generally entitled to free transport to Stonehenge School as it is not their nearest or designated school for transport purposes. As such, parents have made a preference choice for their child to attend that school rather than the local one at Avon Valley, and must pay for the transport.

<p>Stop the closure of Furlong Close, Rowde by Hft.</p>	<p>19.11.20</p>	<p>4 online . In addition to another online petition with 24,000+ signatures,</p>	<p>Local Member and Cabinet member informed about the petition when it was initiated. A response was provided that indicated Hft were no longer planning to close their site in June 2021 and HfT are aware of the concerns and Wiltshire Council hope HfT will undertake a consultation with residents and families on future options for the site.</p> <p>Since that time, the subject matter of the petition is subject to ongoing legal proceedings. The council is identified as an interested party to those proceedings, and as such is advised it would be improper for the Council to debate this matter since it is <i>sub judice</i>.</p>
<p>B3098 (Church and High Street) changes within Market Lavington for Public Safety</p>	<p>30.11.20</p>	<p>Online 68 signatures 1 email of objection to the petition.</p>	<p>Local Member informed about the petition. A response was provided from the local Traffic Engineer which advised the petitioner to raise the matter with their parish council for progression through the CATG.</p>
<p>ACV Status for Grosvenor & Riverside House, Churchfields Rd Salisbury, SP2 7NH Running until 15.02.21</p>	<p>16.01.21</p>	<p>Online 184 signatures</p>	<p>Local Member was informed about the petition. A response was provided which invited the petitioner to meet with the lead officers for both the ACV (Asset of Community Value) and CAT (Community requests to be discussed).</p>

Note: This does not include petitions received in respect of regulatory matters ie planning and licensing which are dealt with under different procedures.
