<p><small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small></p> <p>The band was formed in 2005 to give young players an outlet to utilise their musical skills for the benefit of the local community. In addition, adult members were encouraged to provide support and stability to the group. This combination enabled the band to advance the education of the public in the study of the art of music by giving an opportunity to all ages to play and perform music. As it was felt that financial hardship should not be a barrier to this aim, the band's constitution pledges to arrange financial support, where necessary, in the form of subsidised lessons and loan of instruments to young people who show promise. There are currently 3 such individuals in need of support. It is important to the sustainability of the group that new young players are encouraged to join and without this funding some would be prevented from doing so. Currently, the band has 36 regular members, including 22 young people. Ages range from 11 to 70. The benefits to individual members are enormous: a feeling of self worth, a sense of achievement, learning to cope with challenge and working as part of a team. The community also benefits from having freely provided musical entertainment for local events eg. fetes, Durrington Community Day, community carols, and is also a means by which money is raised for charities, such as, Naomi House Children's Hospice. This fosters a sense of community spirit and positive attitudes between generations.</p>			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Through fund raising activities, collections at concerts and seeking donations from local organisations.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The award will directly benefit the individuals receiving tuition and, indirectly, the band and the local community. Pupils' progress can be measured through music reports and, possibly, examinations. When the necessary standard has been reached, these pupils continue their learning and further their experience by joining Durrington Walls Wind Band. Without financial support these young people would not have the opportunity to develop their musical talent. Their addition to the band has the added benefit of helping to secure its future as a resource for the community.
