Project Summary:

We would like to start a youth project in Tidworth. This youth project will be open to all young people in Tidworth and surrounding areas. Within the project we will hope to provide young people with a varied curriculum of personal and social development opportunities, the primary objectives of which are educational, and designed to assist children and young people in developing into responsible members of society. It will be a safe space young people 11-19 years to spend time and access support from qualified youth workers. Young people will participate in the development and planning of the programme.

1. Background

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.
