<a href="#">ABG130</a>	Community Area Grant	Melksham Town Council	King George V Park new defibrillator for The Pavilion	£995.00	£495.00

### Project Summary:

**At present, the nearest defibrillator to the King George V Park is located at the Riverside Club. It is felt that this is too far given the number of people using the Park and that it would be of benefit to users of the Park to have an on-site defibrillator.**

## 1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

## 2. Main Considerations

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.
