1. Background

Area Boards have authority to approve funding under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the Area Board Funding and Grants Criteria. This document is available on the council's website.

Three funding streams are available to the Area Board, each with an annually awarded amount. These funding streams are as follows:

- Community Area Grants (capital)
- Young People (revenue)
- Health and Wellbeing (revenue)

The Area Board will be advised of the funding available prior to their first meeting of each financial year.

2. Main Considerations

2.1. Councillors need to be satisfied that the applications meet the requirements as set out in the Area Board Funding and Grants Criteria and that the health and wellbeing and young persons funding guidelines have been adhered to.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors need to consider any recommendations made by sub groups of the Area Boards.

3. Environmental & Community Implications

Grant funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Councillors must ensure that the Area Board has sufficient funding available to cover the grants awarded.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.
