Swimmers range in age from four years to 40 years. The Club provides a safe, structured environment for mainly young people to increase and maintain their levels of fitness and wellbeing and engenders a local team spirit creating friendships among members and their families. The Club has gone through some difficult times in recent years but 2009 has been a successful year raising member numbers by nearly 50% and gaining a grant from the National Lottery which will enable us to buy new starting blocks, turning boards and lane ropes to replace current ones which are 25 years old. The lottery grant has to be specifically spent on items named in the application and will be spent by May 2010. One of the most popular sessions each week is water polo. Swimmers of all ages participate. Regrettably goals long ago disintegrated and we are now only able to use cones as goal posts. We also lack team caps and the ball we use has seen better days. The grant we are applying for will allow us to purchase new goals and associated equipment without jeopardising our small cash reserves (very small given that the club has existed since 1897)			

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

There are no additional costs in running the project. The Club pays for pool time out of its membership revenue stream and coaches provide guidance on a 100% voluntary basis.
