Subject: Fwd: New premises application The Old Fire Station Warminster

Maggie Jones

I have forwarded the the e-mail from Jacqui Gallimore with some changes to which i have agreed to be made to my licence application.

Also, with a lot of the objections based on the opening times, could i please ask for all the times of Wednesday and Thursday to be matched up with Monday and Tuesday. Times i have put down for Sunday i would also like cut back to match all the Monday and tuesday times, except for when a bank holiday or public holiday follows the Sunday. When a bank/public holiday follows the Sunday i would like to keep the hours i submitted the same. is this possible ?

If you need to to talk ref this e-mail please call me on 07889 188852

Regards

James Beanland

James

Thank you for arranging for me to view the building this yesterday, I now have a better understanding of the location and business plan.

As discussed police would like to see the following conditions applied to the licence to further promote the licensing objectives, the prevention of crime and disorder and public nuisance.

- The premises capacity will be limited to 130 persons.
- Customers will not be permitted to smoke outside the front of the premises.
- CCTV will be installed to cover the public areas and all entrances/exits, the CCTV system will be in working order at all times. The system will be of sufficient quality so as to produce images which

enable identification. Images will be stored securely for a minimum of 30 days, and will be made available to a police officer or an officer of the council on request.

Maggie Jones would need confirmation from you that you are happy to include these points as conditions, if you have any queries please come back to me on my mobile number or by email.

Regards

Jacqui Gallimore
Licensing Officer
