

Dear Sir or Madam

My name is Terence Gilroy and I live in the house next door to the old fire station the close warminster. I object to the opening of a wine bar next door, because I work continental shifts which includes four out of seven weekends and most bank holidays. I have to be up for 5am. You will I hope appreciate that having a bar that goes on until 2:00am or 2:30am in the morning outside our bedroom window is most unacceptable. There are plenty of vacant premises in town without having to move into a residential area. I hope you will take this into account when making your decision.

Thank you yours
sincerely

T. Gilroy
