Local Priorities & Updates

Priority	Update
Farewell to some of the team...for now.	<p>Since the last Area Board we have had to say farewell to some of the neighbourhood team. Inceptor Al Lumley has been promoted to Chief Inspector and has moved to Swindon .</p> <p>Sgt Louise Oakley has stepped up to the Inspector role until Jan 2023- when a new Inspector will be appointed</p> <p>Neighbourhood policing is a force priority and there will be uplift posts so there will be recruitment for more PCs for NPT and they need to be in place by April 2023 – we currently hold three PC post this will increase to 5 .</p>
ASB – YOUTH CRIME	<p>***MAIN PRORITY*** NPT are aware that ASB and youth crime has escalated since the summer, and the team are working hard to tackle this –</p> <p>We have reports of general ASB , Public order offences, theft and Damage –</p> <p>PC MIKE OBERN is working hard with the response teams to robustly deal with youths – but its not as easy as it seems. We are communicating well with ER CCTV and King down school who are willing to assist us where they can</p> <p>The team successfully got a dispersal order placed on for Warminster over the weekend of 29th and 30th October , a number of youths were stopped, issued a notice and parents notified to collect their children and taken them home .</p>
Shoplifting Spike, including Warminster	<p>There was a spike in shoplifting in the surrounding area, however since September this has decreased , the work with CCTV and shop watch is working well , and we have detected the most recent shop lifting offences but is worthy of mentioning for wider acknowledgement that there might be an other spike showing early signs of the cost of living increase effecting people’s behaviour.</p> <p>This has dropped of our exceptions as well for the last month .</p> <p>We have had an increase in bike thefts</p>
Speed Enforcement & CSW	<p>The latest stats provided by the various Community Speed Watch teams show that over the last quarter, the Upper Deverill’s have consistently the highest proportion of speeding motorists (approx. 1 in 10). In response, the local teams in conjunction with the roads policing units are increasing their presence in the area wherever possible. As a large proportion of speeders are statistically from the local area – this is a polite reminder to watch your speed.</p>
PEEL Inspection Progress	<p>Following on from the previous Area Board update and the input on the PEEL inspection by HMICFRS (where Wiltshire Police were placed into ‘special measures’) We are please to say that progress in improving the areas most critical are well underway. Significant changes to team structures have been made to ensure serious and complex criminal investigations get a more consistent service, as well as a review underway for the structure of uniformed policing across the county. I would like to point out and direct everyone to our Wiltshire police website which is the central point for updates on PEEL progress and will be updated after each meeting of the PPOG.</p>
