What is a street?

A street is any area which the public can access without payment, including private land. This does not include privately run shopping centres.

This street trading policy covers all streets in Wiltshire. All streets in Wiltshire have been designated as consent streets.

A Street Trading Consent is required to trade in the following locations:

- roads and walkways
- lay-bys and verges
- footpaths
- car-parks
- residential streets
- industrial estates
- any other publically controlled highway or land owned, leased or maintained by Wiltshire Council
- unenclosed land within 10 metres of any of the above.

What is a Street Trading Consent?

A Street Trading Consent is a permission to trade. It is granted by Wiltshire Council subject to conditions and usually involves the payment of a fee.

It can be withdrawn at any time or not renewed if conditions are not complied with or the required fee is not paid.

A Street Trading Consent is specific to the person it is issued to and is non-transferable.

Who can apply for a Street Trading Consent?

To apply for a Street Trading Consent **you must be:**

- over the age of 17
- a named individual (two people can apply jointly on the same consent). A company or body corporate can apply for a Street Trading Consent, but it must be issued to a named individual.
- legally entitled to live and work in the UK.

A Street Trading Consent **cannot be issued:**

- to trade on a highway controlled by the Highways Agency (at present the M4, A419, A36 and A303) without the permission of the Highways Agency
- for any trading in a highway to which a control order under section 7 of the Local Government (Miscellaneous Provisions) Act 1976 is in force, other than trading to which the control order does not apply.

Prohibited goods

A Street Trading Consent will **not** normally be granted for the sale of the following items:

- Alcohol except:
 - sales of mulled wine and similar at street fairs or community events. No sale will be permitted to anyone under the age of 18.
 - for consumption with a sit down meal at the premises.

Note that any sale of alcohol will require a separate permission under the Licensing Act 2003.

- Firearms and replica firearms
- Knives
- Offensive weapons and replica weapons
- Tobacco products
- Fireworks
- Articles that would typically be sold in sex shops
- Animals

Types of Street Trading Consents

Wiltshire Council will accept applications for the following types of street trading consents:

- **Annual Street Trading Consent.** Consent to trade on all days of the year.
- **Daily Street Trading Consent.** Consent to trade for single days, a number of days or a specific day for the year, including bank holidays where these fall on the days included in the consent. For example trading for a full week once a year, on all Mondays for one month, or all Saturdays throughout the year. The council charges a higher fee for consent to trade on Saturdays.
- **Block Street Trading Consent.** Consent for organisers of street trading events with five or more traders. The event organiser in receipt of a Block Street Trading Consent is responsible for all individual trading activities and must ensure that street traders at their event comply with the Standard Conditions and any Additional Conditions. A copy of the Standard Conditions is available at Appendix 1. Regular event organisers can apply Block Street Trading Consents on an annual basis for up to ten events per year.

The size of the trading area will be decided on an individual basis at the discretion of council officers. The size of the trading area will be specified on the Street Trading Consent.

Procedure for determining applications for Street Trading Consents

How to submit the application

An application for a Street Trading Consent must be made to Wiltshire Council **in writing**.

To apply for a Street Trading Consent you need to submit the following:

- A completed and signed Street Trading Application Form
- A non-refundable deposit of 10% of the full fee
- 3 copies of a map of at least 1:1250 scale. This should clearly identify the proposed site position by marking the site boundary with a red line.
- Written permission from the land-owner if you wish to trade on private land.

- If you intend to sell food, you must demonstrate that you are registered with the Wiltshire Council Food Safety Team, or another local authority. If you are already registered with another local authority then you will not need to register with Wiltshire Council, but you will need to provide proof of this registration. If you are not currently registered, you should complete a separate Application to Register a Food Business Establishment Form **at least 28 days before you apply for a street trading consent.**

First time applications for Annual and Daily Street Trading Consents will take a **maximum of 60 days** to be determined.

Consultation on applications

Officers will carry out a consultation process with all interested persons and groups before a street trading application is considered.

This will include:

- Wiltshire Council environmental protection, food and health and safety team, planning department, neighbourhood services (including the parking operations manager and highway enforcement officers) and trading standards
- The appropriate town or parish council
- Wiltshire Police
- Wiltshire Fire and Rescue Service
- Ward Councillors
- Members of the public
- The land owner if you are applying to trade on private land
- The local Chamber of Commerce
- Local businesses

Written observations and recommendations will be taken into consideration when the application is determined.

Full consultation will not take place on applications for Block Street Trading Consents, although if necessary the Authorised officer may informally approach any of the consultees.

Criteria for determining applications

The Authorised officer will assess applications for Street Trading Consents against the following criteria:

- **Site safety.** The location should not present a substantial risk to the public in terms of road safety, obstruction or fire hazard. Observations from council officers will be taken into consideration.
- **Public order.** The street trading activity should not present a risk to public order in the locality in which it is situated. Observations from Wiltshire police and council officers will be taken into consideration.
- **Avoidance of nuisance.** The street trading activity should not present a substantial risk of nuisance from noise, smells, fumes or the discharge of fluids to households or businesses in the vicinity of the proposed street trading site. Observations from council officers, residents and businesses will be taken into consideration.
- **Consultees' observations.** Consideration will be given to written objections from consultees. Objections and recommendations will be assessed by the Authorised officer for reasonableness and appropriateness before they are taken into consideration.
- **Permitted trading hours.** In town centres street trading hours will normally mirror those of shops in the immediate vicinity. However, the council will consider each application on its merits before agreeing permitted trading times. The council retains the right to specify permitted trading hours that are less than those applied for. Any trading involving hot food between 11pm and 5 am will also require a separate application under the Licensing Act 2003.
- **Planning Permission.** A Street Trading Consent will only be issued if planning permission has been granted or the council is satisfied that planning permission is not required. Observations from Wiltshire Council planning officers will be taken into consideration
- **Suitability of the applicant.** The council may take relevant unspent convictions, complaints received about the applicant's previous street trading activity and any previous revocation or surrender of a Street Trading Consent into account.
- **Proximity to schools and colleges.** No Street Trading Consents will be granted for trading at locations within a 200 metre walk using the public highway of a school or sixth form college, unless otherwise agreed in writing by Wiltshire Council.

Equal weight will be applied to all criteria.

Objections

The consultees listed will be asked to respond in writing **within 30 days**.

Officers will assess the reasonableness and appropriateness of all objections before they are taken into consideration.

How applications will be determined

All applications will be determined by the Authorised officer acting on delegated authority.

Officers will evaluate applications against the criteria and then consider all reasonable and appropriate objections. Reasonable and appropriate objections are those that relate to the criteria and aims of this street trading policy.

The officer will approve the application if it:

- meets the criteria and
- there are no reasonable and appropriate objections.

If the application:

- does not meet the criteria, or
- there are reasonable and appropriate objections

the officer may contact the applicant and objectors to attempt to resolve the potential reasons for refusal.

The officer, applicant and objectors may discuss:

- changes that could be made to the proposed location, goods or trading hours and
- additional conditions that could be introduced.

If the applicant refuses the offer of a meeting the officer will either introduce additional conditions or refuse the application.

If the objections and failure to meet scheme criteria **can** be resolved by changing the application and/or introducing additional conditions the officer will **approve the application**.

If the objections and failure to meet scheme criteria **cannot** be resolved by making changes to the application or introducing additional conditions the officer will **refuse** the application.

Approval of applications

The applicant will be advised by letter that their application has been successful and they **need to accept the offer of a Street Trading Consent and make a payment within 21 days**. The payment for an annual consent can be given in a maximum of four equal instalments.

After that time a letter will be sent to the applicant reminding them of the need to make a payment.

If the fee is still not received within five working days the offer will lapse and the applicant will need to make a new application to the council and pay another ten percent deposit.

A Street Trading Consent will not be issued until the street trading fee has been paid in full.

Applications may be approved subject to additional conditions. **These additional conditions form part of the Street Trading Consent and must be complied with at all times.**

Refusal of applications

Where the council refuses an application the applicant will be informed **in writing** of the reasons for not granting the application.

The ten percent deposit is non-refundable and will not be refunded to the applicant if their application is refused.

A waiting list will be kept in cases where an application has been refused where another trader is already trading in the location applied for.

Applicants who feel aggrieved by the officer's decision to refuse an application or to introduce additional conditions may appeal to the Licensing Sub-Committee. Please see '**Appeal to the Licensing Sub-Committee**' for more details.

Note that trading will not be permitted during the appeal period when an application has been refused and can only take place within the conditions of any street trading consent that has already been granted where the appeal relates to conditions that have been imposed.

There is no right of appeal to the Magistrates Court in any circumstances.

A person aggrieved by a decision of the Licensing Sub-Committee may make an application to the high court for judicial review of the decision. For further information on potential grounds for judicial review applicants should seek advice from an independent solicitor as soon as they receive notice of the decision.

Issue of Street Trading Consents

Where approved, before the Street Trading Consent is issued the applicant will need to provide:

- An original copy of a certificate of insurance covering the street trading activity for third party and public liability risks up to £5 million
- Two passport photos- one for their Street Trader Identity Badge and one for the council's street trading records.

The applicant will also need to read and sign a copy of the Street Trading Consent, including the Standard Conditions and any additional conditions.

The Street Trading Consent will specify the location, times and days for which it is valid and the type of goods to be sold. **Consent Holders must follow the terms of their Street Trading Consent. Failure to do so may result in the Street Trading Consent being revoked or not renewed, or in a prosecution.**

All Street Trading Consents are issued subject to a set of Standard Conditions. The council may attach additional conditions to the Standard Conditions. Any appeal against the additional conditions will be dealt with by the Licensing Sub-Committee. Please see '[**Appeal to the Licensing Sub-Committee**](#)' for more details.

All conditions attached to the Street Trading Consent **must be complied with at all times. Failure to comply with either Standard Conditions or additional conditions may lead to the consent being revoked or not renewed.** Consent Holders are requested to familiarise themselves and their employees with the conditions attached to their Street Trading Consent.

The granting of a Street Trading Consent does not in any circumstances exempt the Consent Holder from the need to obtain any other licence or permission that may be required or from obligation to comply with all other general or local legislation. There may be additional costs involved in obtaining these additional licences or complying with other legal requirements.

It is the obligation of the Consent Holder to familiarise themselves and their employees with this legislation. The council may revoke a Street Trading Consent for any failure to comply with any other general or local legislation.

A Consent Holder shall not assign, underlet or part with his interest or possession of a Street Trading Consent, but it may be surrendered to the council at any time.

The council reserves the right to revoke a Street Trading Consent at any time without compensation, although some fees will be reimbursed.

If the Consent Holder wishes to alter any of the terms of the Street Trading Consent, an Application to Alter Terms and Conditions must be submitted to the council in

writing. Any changes to the terms and conditions of a Street Trading Consent will be subject to the payment of an administration fee.

Reimbursement of fees

Fees will be reimbursed to Consent Holders where they cease to trade and surrender their Street Trading Consent to the council or have their Street Trading Consent revoked by the council.

Any refunds will be made from the date that:

- the Street Trading Consent is surrendered to Wiltshire Council
- the Street Trading Consent is revoked by Wiltshire Council.

Refunds will be based on the number of complete months remaining minus the current administration fee.

Business rate payers

Consent Holders who can demonstrate that they have paid business rates will be eligible for a refund of part of their street trading fees based on the amount of business rates paid, not the rateable value of the business. This refund will be calculated on the following formula:

The street trading fees paid by the Consent Holder minus the business rates paid by the Consent Holder **less** the current administration fee.

Where the Consent Holder has paid more in business rates than in street trading fees, the council will refund the whole of the street trading fees less the current administration fee.

Appeal to the Licensing Sub-Committee

The role of the Licensing Sub-Committee (the Sub-Committee) is to consider any appeals against decisions by the officer.

The applicant can appeal to the Licensing Sub-Committee where the officer has decided to:

- refuse an application
- introduce additional conditions or
- revoke a Street Trading Consent.

The right to appeal to the Licensing Sub-Committee does not apply if the Street Trading Consent has been revoked because the Consent Holder has not paid street trading fees.

The Licensing Sub-Committee consists of elected Wiltshire councillors who have received special training in licensing issues. The Sub-Committee is supported by a clerk and a solicitor and meets on a regular basis. Committee meetings are normally held in public unless there are matters to be considered that are of a confidential nature.

Once arrangements have been made for the appeal to be heard by the Sub-Committee, the applicant will be informed in writing of the time, date and place where the appeal will be heard. The council will endeavour to hear all appeals as quickly as possible.

The applicant will be expected to attend the hearing and can be represented by a solicitor or supported by a friend or colleague. The Sub-Committee will follow a set procedure. The applicant will be notified of this procedure before the hearing, along with any officer reports that will be presented at the hearing.

In assessing the manager's decision the Sub-Committee will consider representations from the applicant and the officer. Both the applicant and the officer may call witnesses. Supporting documentation may be submitted to the Sub-Committee in advance of the hearing for consideration.

The Sub-Committee will consider all the evidence presented during the hearing and may ask questions of the applicant and manager.

After hearing the evidence presented to it the Sub-Committee will retire and come to a decision on the appeal. When a decision has been reached the Sub-Committee will inform the applicant of their decision and the reasons for reaching that decision.

The Sub-Committee's decision will be confirmed to the applicant **in writing** within 5 working days of the hearing.

The Licensing Sub-Committee will always strive to ensure that all persons get a proper and fair hearing by:

- considering each appeal on its merits
- using these guidelines to assess officer decisions to refuse the application or introduce additional conditions
- being impartial and balanced throughout the appeal
- ensuring that rules of natural justice are applied at all times
- giving the applicant and officer sufficient opportunity to present their case, ask questions of officers and members of the Sub-Committee and present information for consideration in support of their case.

Renewals

All Street Trading Consents will be renewed automatically unless:

- there have been any complaints from members of the public, or
- concerns raised by consultees` or council officers, or
- consent conditions have been breached.

In these circumstances a full or revised application process may be used at the discretion of the officer.

If a renewal offer is not accepted or payment has not been made within 21 days, this offer will be withdrawn and the trader will need to make a new application. Priority will be given to the next relevant person on the waiting list.

Enforcement

The council may revoke a Street Trading Consent at any time and shall not be liable to pay compensation to the Consent Holder, although some fees will be reimbursed. Please see Issue of Street Trading Consents for more details on the reimbursement of fees.

The following principles will be applied to all enforcement action:

- **Openness and transparency.** Council officers will discuss all problems, including failure to comply with conditions, clearly and in plain language. The council will be open about how it enforces street trading legislation and will inform interested parties of what they can expect from the enforcement procedure.
- **Consistency.** Council officers will seek to take a similar approach in similar circumstances and will carry out their duties in a fair and equitable manner.
- **Proportionality.** The council will ensure that the action taken is proportionate to the risks involved or the seriousness of the breach of conditions.
- **Helpfulness.** The council will provide advice on the relevant legislation and assist with compliance. Council officers will provide a courteous and efficient service.

The legislation in relation to offences is as follows:

'A person who engages in street trading in a consent street without being authorised to do so, or being authorised by a consent, trades in that street

- (i) from a van, cart, barrow or other vehicle, or

(ii) from a portable stall,

without first having been granted permission to do or so contravenes a condition imposed shall be guilty of an offence.

It shall be a defence for a person charged with such an offence to prove that he took all reasonable precautions and exercised due diligence to avoid commission of the offence.

Any person who in connection with an application for a consent makes a false statement which he knows to be false in any material respect, or which he does not have reason to believe to be true, shall be guilty of an offence.

A person guilty of an offence shall be liable on summary conviction to a fine. The maximum fine is level 3 on the standard scale, currently £1000.'
