You don't often get email from [REDACTED] [Learn why this is important](#)

Dear Emma

I understand from my client that this is Esso's website and the hours are incorrect. The premises trades 24 hours and has done for some time.

I have also been discussing whether there is anything we can do to address the concerns of the residents.

I have received authorisation to amend the hours for alcohol sales to 0600 to 2400 if this means that the representations will be withdrawn and we can avoid a hearing on Monday. Please could you see if the residents would withdraw on that basis.

Furthermore, I have authorisation to limit late night refreshment to hot drinks only – I can offer a condition to that effect.

If this is not acceptable to the residents and a hearing is still required, in the absence of any representations from the Responsible Authorities, my instructions are to proceed with the application to seek alcohol sales for 24 hours, the hours that the premises operates.

I'll call you to discuss.

Kind regards
