Local Priorities & Updates

Priority	Update
Non-dwelling burglaries	We have seen an increase in reports of burglary in Redlynch, Landford and Downton. These have predominately involved business premises and outbuildings. High visibility targeted patrols are being carried out in these areas.
ASB	ASB continues to be a priority in the Alderbury area. High Visibility patrols are being conducted at certain times to deal with any incidents and provide reassurance to the community. The police are working very closely with partner agencies including the Parish Councils, and local community groups to address some of the issues and concerns raised.
Vulnerable checks	Officers conduct regular visits to our identified vulnerable people to both reassure them following reported concerns and to deter visits by criminals who wish to exploit them. We have been working closely with Wiltshire Council Housing on evidence to support several injunctions which we have now got in place. These premises are visited regularly by the teams to provide support to those who are most vulnerable.
Rural Crime	Rural crime continues to be a focus for the team especially now we are in the poaching / hare coursing season. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.

Local Priorities & Updates Continued

Priority	Update
Community Speed Watch	The teams continue to support, where capacity allows, the positive work the Community Speed Watch teams do across the area.
ASB City Centre	ASB continues to be a priority in the City Centre. High Visibility patrols are being conducted at certain times of the day to deal with any incidents and provide reassurance to the community and local businesses. The police are working very closely with partner agencies including Venture Security, Salisbury City Council and local businesses to address issues and concerns raised.
