## 4. Performance and Other Local Issues

The first of the MOPs was held in Marlborough on Saturday 8<sup>th</sup> October. I am pleased to tell you that despite the large number of people that attended, there were very little instances of disorder. The event was well policed by officers from Devizes, Marlborough and Pewsey NPTs, Swindon Response Hub and the Special Constabulary. Some alcohol was seized by police but no arrests were made and although a minor assault was reported, no complaint was made and there were no other offences associated with the event.

Overnight on 15<sup>th</sup> & 16<sup>th</sup> September in Aldbourne, 17 offences of criminal damage occurred. After some local enquiries, 3 suspects were identified and arrested. The suspects live in the village and there has been a significant community impact which is being dealt with alongside the criminal investigation which is on-going. Although we are confident of a positive result, this will show as a spike in this type of offence in the figures below.
