<p><small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small></p> <p>The aim of the project is to mark the property contained in all of the homes in Keevil. This would be by way of using either a Smartwater or SelectaDNA product. Essentially this means that each home would have its own unique solution, either with or without microdot technology (depending on supplier) and the householder then marks their property as well as then registering this with the respective company. Signs are placed on property, homes and within the village to warn would be burglars and thieves that all property is marked and therefore act as a deterrent. In addition, if a home were burgled or property was stolen, the item(s) can be identified through the use of ultraviolet light and returned to the owner and potentially the person in possession subject of police prosecution. It is known that in areas where this type of technology is used that the incidence of burglary is reduced by 85%. The purpose of this application is to obtain funds from the board to subsidise the scheme. It is known that each pack, containing sufficient solutions and signs for one household, will cost £10 + VAT (albeit the VAT is being discounted for the purpose of this application) There are 160 properties in Keevil and therefore an overall cost of £1600 + VAT. The grant of £1000 from the board would reduce the overall cost to each household to less than £4. It is felt that the lower cost to each household will result in a far greater uptake and the aim is to achieve 100% coverage.</p>			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

There are no further ongoing costs save new entrants to the scheme, through the development of new homes or through the natural turnover of home ownership. In such circumstances, these would be addressed either through the home owner and/or dialogue with the Parish Council.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

This concept has been subject of discussion at Keevil Parish Council at the meeting of the Keevil Society as well as the Keevil Neighbourhood Watch Scheme. There is universal support. The Parish Council also reserves the right to become involved in this project in order to satisfy its Crime & Disorder responsibilities under the Crime & Disorder Act. The aim is for the entire village to benefit from this scheme. The area is relatively crime free but a continuation of this would be one success factor. In addition, in the event of any property being lost or stolen then the outcome in terms of either being reunited with the owner or indeed any apprehension of an offender.
