What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups) <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small> The works to the YFC Hut will primarily benefit the YFC members who use the hut for their regular meetings. YFC is a rural youth organisation led by young people, for young people, YFCs provide members aged 10 to 26 with a unique opportunity to develop skills, work with their local community, travel abroad, take part in a varied competitions programme and enjoy a dynamic social life. Purton and Cricklade YFC currently benefits from 41 members, 23 of which are aged 10 - 18 (Male = 13 & Female =10) and 18 of whom are aged 18 - 26 (Male =11, Female =7). In addition to the YFC members the hut is regularly used by the residents of Purton Stoke which comprises of approximately 60 houses. Events include a Christmas Dinner for the Over 60's, Children's Christmas Party, Harvest Supper and various coffee mornings. With the exception of the Village Pub and the Chapel (only one service per year) the hut is the only community facility within the village. Hence its continued upkeep and improvement is a vital in maintaining a community spirit. The Hut is also used on a weekly basis by a group of local people mainly from Purton Stoke and Purton for a yoga class. The availability of such a class within Purton Stoke has meant that people who would perhaps not partake in such an activity if they had to travel to a larger settlement are partaking in a regular sporting / leisure activity..			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Purton & Cricklade YFC has been running in excess of 50 years and has owned and maintained the Club Hut for in excess of 30 years. During this period members have met the day to day running costs through various fund raising activities. On occasions that "one-off" costs have been necessary we have been lucky enough to secure funding from various sources to fund these works. We see no reason why the club should not be able to continue this method of funding.

3 – Additional information to support and strengthen your application e.g. consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

Purton & Cricklade YFC Club Hut is the base for the Young Farmers Club. The hut is used to hold regular meetings and competitions for both the senior and junior club. The works to the hut will ensure that it remains a safe and secure environment for the members to hold their meetings. The meetings which are attended by members range from fun sporting activities, talks by local speakers, a base for fund raising events (quizes etc), craft activities and competitions and training events (public speaking, first aid etc). The Club Hut enables a number of young adults to take part in a wide range of activities which broaden their horizons. Without the Club Hut Purton & Cricklade YFC would not be able to provide such a wide variety of activities for its members. The improvements to the Hut will also ensure that it remains available as a vital community facility for the village of Purton Stoke.
