## **4. Special School and Post-16 SEN Task Group**

Membership: Cllr Carole Soden  
Rev Alice Kemp  
Cllr Graham Payne (Chairman)  
Cllr Anthony Trotman

This Task Group met on 21<sup>st</sup> September and the following was discussed:

- The Council's statutory duties with respect to post-16 SEN, the number of young people with SEN with placements at Independent Specialist Providers (ISPs) and the recent increase in provision of courses for post-16 learners with SEN at Wiltshire College.
- A report summarising the capacities and conditions of each of Wiltshire's six special schools.

Members agreed that, although there were likely to be many issues relating to special schools that could be explored within the remit of the Task Group,

their first priority would be the physical capacities and conditions of the schools. Members therefore agreed that they would visit each of Wiltshire's special schools. In order to engage with parents, it was agreed that a parent governor from each school would be invited to accompany members on their visit.

The Task Group will visit Larkrise School, Trowbridge on 17<sup>th</sup> November and the other visits are being arranged.
