

Get together? How?

With the CalneCAP: the Calne Community Area Partnership. It's a way of having a say in what happens in Calne and the surrounding villages.

It's an opportunity to get things done and to improve the area where you live and work.

Like what?

So far, there are eight areas of focus:

Economy

Crime & Safety

Culture

Education

Environment

Health & Social Care

Housing & the Built Environment

Transport

Who is involved?

You are! If you live or work anywhere within this map you're already a member of the Area Partnership.

This means you have a say in what happens in the area and a huge opportunity to make a difference.

So, what do you think?
