

South West Wiltshire Area Board – 7 December 2011

Late Paper - Community Area Grant Application:

1. Chalke Valley Historical Photographic Archive. Applicant: Coombe Bissett Parish Council (on behalf of local history group and Chalke Valley communities)	£250 (total project cost is £500)
--	--

To be jointly funded with Southern Wiltshire Area Board who are asked to fund £250 also.

- 1.1.1. Although the applicant is a parish council they are only heading this bid up on behalf of a group of villages who will benefit from these archives. As the project is a one off project and not maintenance of an existing facility this application meets grant criteria 2011/12.
- 1.1.2. This project is to fund the costs of digitising historic photos of the Chalke Valley which will be made available online and used by the community.
- 1.1.3. The Area Board recognises the need to support local history initiatives and also recognises that these photos will be of benefit to the Archivists at Wiltshire Council.
- 1.1.4. The photos cover the Chalke Valley from Nunton to Berwick St John.
