

# Community Area Grant Application Form 2011/2012

Please ensure that you have read all the Funding Criteria and Additional Guidance Notes before completing this form PLEASE COMPLETE ALL SECTIONS TO ENSURE THAT YOUR APPLICATION CAN BE CONSIDERED

**For larger projects we strongly advise you to contact Charities Information Bureau three months before you approach the area board. (See Section 2 for contact details)**

**Please contact your Community Area Manager before completing your application  
(See Section 3 for contact details)**

1. Your organisation or group			
<b>Name of organisation</b>	COOMBE BISSETT PARISH COUNCIL		
<b>Contact name</b>			
<b>Contact address</b>			
<b>Contact number</b>		<b>e-mail</b>	
<b>Organisation type</b>	<b>Coombe Bissett Parish Council acting on behalf of local historical interest group. This method of application was suggested by SWWAB.</b>		
2. Your project			
<b>Project Title/Name</b>	CHALKE VALLEY HISTORICAL PHOTOGRAPHIC ARCHIVE		
<b>What is your project about and what does it aim to achieve?</b>  <i>Important: This section is limited to 600 characters only (inclusive of spaces).</i>	The villages of Bishopstone and Coombe Bissett hold nearly 1000 photographs and slides taken over the last 120 years, many rescued from potential destruction. They are fragile and the intention is to scan them professionally so they can be secured digitally on a HDD for the future and be made available to future generations, local interest groups and for historical research. Digitised photos or links can then be added to the village websites in the valley from Berwick St John to Nunton, the area of coverage of the photos, thereby making them available to the wider general public.		
<b>In which community area does your project take place? (Please give name – see section 3 of the grants pack)</b>	South. The majority of photos are held by Coombe Bissett, though they cover the whole of the Chalke Valley.		
<b>I/we have discussed our project with the town/parish council?</b>	<b>Yes</b>	<b>Date</b>	November 2011
<b>I/we have discussed our project with our Wiltshire councillor?</b>	<b>Yes</b>	<b>Date</b>	September 2011

Where will your project take place?	Coombe Bissett and Bishopstone but all the Chalke Valley will have access to the scanned photos.
When will your project take place?	As soon as funding is available.
How did you discover there was a need for your project ( <i>please provide evidence</i> ) and how will your project benefit your local community?  <i>Important: Please do not type/write in paragraphs – This section is limited to 1000 characters only (inclusive of spaces)</i>	700+ slides were taken by the Dorset Camera Group and used in a video called the "Hidden Valley". The originals were due to be disposed of as rubbish but were acquired by the applicants. Another 280 photos and negatives were saved by enthusiasts in Bishopstone as part of their Millennium Collection over 10+ years ago. There is a very urgent need to digitise these deteriorating slides and negatives to make them available to future generations. This will form a data base of photos for local historical research and interest. Such is our concern for this material that photographs and negatives are stored in different locations in case of fire or flood.
How many people will benefit from your project?	At least 1300 within the villages, more if local schools and library study sections are included. The digitised photos can also be made available through the village websites, thereby creating an international distribution.
How does your project demonstrate a direct link to the local community plan for your area? <a href="http://www.wiltshire.gov.uk/areaboards">www.wiltshire.gov.uk/areaboards</a>  Please provide a reference/page no.	The Wiltshire Community Plan is a draft consultative document at present. Though there is no direct reference to historical archiving it is surely of educational importance for future generations.
<b>To be completed ONLY where town/parish councils are making an application</b>	
Is your project one which parish/town councils have powers to raise local taxes to fund?	No
Could your project be funded from your reserves?	No
Is your project urgent (having to be completed in this financial year? <i>If you answer YES please provide evidence elsewhere on the application form</i> )	Yes, see above for potential deterioration of the material concerned.
Any other information about your project.  Because the photos have been gathered unofficially by enthusiasts, we sought advice from the Area Boards as to how we should apply for the funding to carry out the digitisation process. Their clear advice was to put our application forward in the name of the local Parish Council, which we are doing. Our cover letter gives further detail. The case for the project is being led by a small group of local villagers.	
<b>3. Management</b>	
How many people are involved in the management of your group/organisation? Of these, how many are:	
Over 50 years	3 Male                      3 Female
25 – 50 years	Male                                      1 Female
Under 25 years	Male                                      Female
Disabled People	Male Female
Black and Minority Ethnic people	Male                                      Female
If your project is intended to continue after the Wiltshire Council funding runs out, how will you continue to fund it?  Once complete no further funding will be required for this project. The local websites are already funded.	

How will you know whether your project has made a difference in the community? What evidence will be collected to enable you to know that the project has made a positive impact on your community and met the local need?

Follow up discussions with local schools, historical societies and heritage organisations plus feedback from the websites.
