| 3) the prevention of public nuisance | <input type="checkbox"/> |
| 4) the protection of children from harm | <input type="checkbox"/> |

Please state the ground(s) for review (please read guidance note 1)

The premises was the subject of a police objection to the variation of a premises licence in February 2006, the licensing committee found that there was crime and disorder relating to the premises in particular after midnight, and imposed the following conditions -

a) Two number door staff to be employed and to be on duty at the premises between the hours of midnight and 03.00 hours on a Wednesday, Thursday, Friday and Saturday evening. There is no requirement for door staff if the premise closes at 02.00 hours.

b) The seating provision at the premises is to be removed after 23.00 hours on a Wednesday, Thursday, Friday and Saturday evening.

In June 2011 the current premises licence holder took over the business, since this time there have been numerous breaches of the premises licence in relation to the provision of door staff.

The premises and it's immediate vicinity continues to be the location for crime, disorder and anti social behaviour and police find that the conditions above are still relevant and necessary to promote the licensing objective 'the prevention of crime and disorder'.

In July 2011 Wiltshire Council licensing officers wrote formally to the premises licence holder reminding him of his obligations to the licence, police officers and police licensing officers have reiterated this advice over a period of two months, during which the premises were found to be in compliance on only one week end.

The premises licence holder does not actively promote the licensing objective, the

prevention of crime and disorder and displays a blatant disregard for the licensing legislation. In addition the premises licence holder has been uncooperative and obstructive when dealing with police.

Police now believe that only the revocation of the licence will ensure that the licensing objectives are promoted.
