Comments: Log 0065 on 17/07/11 refers at 02.28 hours I visited Feta Feast Takeaway Market Place Warminster, I was flagged down by a member of the public who told me trouble was brewing inside, the premises was full, I saw a male person who had injured himself within the premises and was being tended to. This male had somehow managed to put his foot through a floor tile.

The floor was a danger; there was a hole approx 12 inches by 24 inches right by the door and a hazard to further customers. Feta tried to continue serving customers until I told them they should consider closing due to Health and Safety. The owner a Sid Thnaibat turned up at the premises and informed me that he was the new owner and had been for 1 month. Sid Thnaibat wanted the help of Police to empty the premises. Customers were irate at being turned away and tempers became frayed. After a scuffle between a half a dozen or so people outside which then calmed down, I spoke to Sid Thnaibat seriously about what had happened and how I thought he was managing his premises. Sid Thnaibat told me he was not aware of his licence conditions and disagreed that the Council should impose any conditions at all. Sid Thnaibat stated he paid his rates and he should decide his own conditions. He said he would not and cannot afford door staff and he wished he hadn't bought the premises.

Sid Thnaibat believes it is the job of the Police to control the order there and expects the Police to be there as he pays our wages. I was quiet firm in explaining what I understand to be his Wiltshire Council licensing conditions and at the moment whilst these are in place he needs to abide by them.

Comments: I visited early Fri evening and asked them what their intentions were going to be re door staff and hours this weekend – I was told by staff they were trying to source door staff for the 2 nights. I made it quite clear that if they had no door staff they should close at 02.00 hours. On Friday into Sat morning they did just that, and the town was a different place because both premises closed on time.

Officer :Inspector Winter

32.Niche 54110083673 refers on 25/09/11 at approximately 02.15hrs on the morning I visited the Takeaway premises Feta Feast in the Market Place Warminster. I am aware of this premises and the fact there are licence conditions in place for the premises to operate as a late night refreshment House. Should the licence holder/designated staff decide to open until 0300 am then door staff are required at the premises to prevent any anticipated disorder. At 0215hrs today there were no door staff on duty at Feta Feast. I visited the staff and advised them they were in breach of their licence conditions and they should close. The staff on duty told me that they had been let down and that door staff were enroute to them from the Old Bell public house in Warminster. I again advised them to close.

There was no disorder and no noise - but there were about 12 customers that needed to be dealt with. The customers were dealt with and the shop was closed shortly afterwards. At approximately 0225 hours the staff from Feta Feast approached me in the Market Place Warminster and advised me they now had 1 door staff who would help them and they wanted to re open. I advised them against this and whilst they were not happy the premises remained closed.

33.At 0250hrs the same day I returned to Feta Feast and found that the staff had reopened the premises and were serving approx 8 customers. The staff informed me that the boss Sid Thnaibat had visited the premises and ordered

them to reopen otherwise they would all be sacked. Sid Thnaibat was nowhere to be seen when I visited at any time. Sid Thnaibat is also the proprietor of DJ Taxis - Warminster Railway Station. I advised staff yet again to close the premises as they were breaching the licence conditions granted and finally at 0316hrs that day the premises were closed. At no time was there any likelihood of disorder - and there was no noise nuisance.

There were no grounds to invoke Sec 161 of the Licensing Act. It appears that staff at Feta Feast and Sid Thnaibat have no intentions of complying with the licence conditions imposed by Wiltshire County Council, I have visited many occasions in the last 4 months to find the same situation. I have pointed out that the conditions of the license are in place for a reason but to no avail. Feta Feast is linked to violence and disorder most weekends.

Date/Time Visited: 02/10/2011 02.00

Comments: Feta Feast was still open at 0205hrs with half a dozen or so customers queuing up to be served. No sign of any disorder, but no door staff in attendance and no attempt whatsoever is made by staff to close the premises. Spoke to staff who argued that it's difficult to find door staff to do the job for them. Reinforced to them that if no door staff in attendance, they are in breach of the

conditions of their licence and therefore should close. Sid Thnaibat was not in attendance but wanted to speak to me on the phone. Staff reluctantly closed the premises at 0210hrs and we continued to monitor until about 0245hrs to ensure the owner didn't get his staff to reopen the premises (as on previous occasions) once they thought we'd gone.

38.13/10/11 Meeting between Mr Thnaibat and Jacqui Gallimore Licensing Officer

Mr Thnaibat failed to attend the first appointment offered by police, but met with Jacqui Gallimore at Trowbridge Police Station on 13/08/11. He explained that he was now complying with his licence, it was explained to him that according to police records he was not and that he was breaching his licence and committing offences under section 136 of the Licensing Act 2003. Mr Thnaibat explained that he was having difficulties running both his businesses. Again it was reiterated that he must comply, he stated that he was going to apply for a variation to remove the condition in relation to door staff and advice was given as to the application process. Mr Thnaibat was informed of the police's intention to seek review of the existing licence as numerous warnings had been given and these appear not to have been heeded.
