

Steeple Langford Allotment Gardens

Key to outlined areas

 Steeple Langford Allotment Gardens

 Area allocated as a Paddock

 Plots allocated for cultivation

 Area allocated for animal grazing

 Proposed Construction site

 Existing Public Footpath

Steeple Langford Allotment Gardens

Points to Support the Application for a Dispensation to discuss matters arising in respect of Steeple Langford Allotment Gardens

1. My husband and I currently rent and cultivate an allotment within the “*Plots allocated for cultivation*” area, this only forms a very small part of the Allotment Gardens.
2. Ongoing discussions within the Langfords Parish Council have surrounded proposals to sell the southern part of the site for the purpose of constructing affordable homes. This only has an impact on the tenants of the *Paddock* and the *Grazing Land* and has absolutely no impact on the cultivation area.
3. The existing Councillors (two of whom are also Trustees of the Allotment Gardens and have been granted a Dispensation to discuss the Allotment Gardens at Parish Council Meetings) reside in Hanging Langford. If I am not granted a dispensation, there will be no-one from the village of Steeple Langford to represent the views of the people who may be affected by issues in respect of the Allotment Gardens.
4. I do not believe that my interest in the allotment Gardens could be deemed as prejudicial or substantial. I merely wish to act on behalf of the people of the Parish who have nominated me as their representative.
