This is done by providing a food parcel containing sufficient dried or tinned food for three days. This helps alleviate one of their pressing needs at a time of crisis.

<b>Where will your project take place?</b>	Corsham and surrounding village community
<b>When will your project take place?</b>	Has been operating since launch in May 2011
<b>How did you discover there was a need for your project (please provide evidence) and how will your project benefit your local community?</b>  <i>Important: Please do not type/write in paragraphs – This section is limited to 1000 characters only (inclusive of spaces)</i>	In the Corsham Area, like other towns and villages throughout the country more and more people are finding themselves in difficulty through sudden and unforeseen crises such as unemployment, illness, marriage or family breakdown or bereavement. If they cannot turn to their families to support them and they have to pay for rent and heating, there is often nothing left to buy food, and they and their children go hungry. Travel and food prices are on the increase and inflation has hit many on low incomes.
<b>How many people will benefit from your project?</b>	Demand led project depending on need
<b>How does your project demonstrate a direct link to the local community plan for your area?</b> <a href="http://www.wiltshire.gov.uk/areboards">www.wiltshire.gov.uk/areboards</a>  Please provide a reference/page no.	Areas of deprivation, the increasing high degree of youth unemployment and the inevitability of crisis situations arising in any household.  5 Page 8; 6 Page 9

<b>Is your project urgent (having to be completed in this financial year? If you answer YES please provide evidence elsewhere on the application form)</b>	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Any other information about your project.</b> We have had a great deal of support from within the local community. We continue to work hard promoting the project by means of presentations to local agencies and voluntary organisations. We already have six collection bins and the provision of six additional bins with logo and contact number on placed in e.g. schools, colleges, MOD offices etc would promote the foodbank to a wider audience. Acquiring a pavement board as a permanent part of our equipment would also serve to advertise our presence to potential clients, volunteers and contributors who have not heard about us yet
