

Marlborough Area Board – Fund towards celebrations for the Jubilee / Olympics

1. What is the event / initiative?

A village party to celebrate the Queen's Jubilee

2. Where is the event / initiative taking place?

Site to be decided shortly, either the High Street, Pitches End, or by the Church in Broad Hinton

3. When will the event / initiative take place?

Monday June 4th 2012

4. What are the Community benefits / links to Community Plan?

We aim to involve the whole of Broad Hinton, Uffcott and those living in rural properties within the parish; providing an opportunity for those young and old to join together and celebrate the Queen's long and loyal service. It will also provide a platform for the Church, local councillors, local businesses and various village clubs and societies to discuss local issues and proposed local plans.

5. What is the desired outcome of this event / initiative?

To celebrate the Jubilee, to bring the whole community together in one event, enable better communication between the different communities in the parish, and to have a really 'fun' day. For villagers to socialise with other villagers to whom they may never have spoken before!

6. Who will Project Manage this event / initiative?

Pauline Heale, Jo McCombe, Helen Forster and Gill Crabtree (Parish Councillor)

7. Costs/quotes/ match funding?

We are applying for £500 to cover the costs of the entertainment, provision of plates, cups etc, soft drinks, hire of toilets and insurance. We are also hoping to be able to provide a commemorative mug to all primary school age children. We will be providing the food ourselves.

8. Additional information
