

Marlborough Area Board – Fund towards celebrations for the Jubilee / Olympics

1. What is the event / initiative?

A village street party or barn party to celebrate the Queens Jubilee.

2. Where is the event / initiative taking place?

The Village Green which has been used in the past to hold similar events for all those in the village. The local farm may provide a barn as an alternative venue. There will be no requirement to close roads.

3. When will the event / initiative take place?

Tuesday 5th June 2012

4. What are the Community benefits / links to Community Plan?

The Village does not normally benefit from any community grants. With a number of families with young children now in the village and a mix of cultures there are clear benefits in bringing the community together on this one off event. Social mixing between families, opportunities for the Church and local councillors to discuss local issues and the proposed local plans.

5. What is the desired outcome of this event / initiative?

To bring the community together in one event
To support better communication between families in the village
To celebrate the Jubilee
To have fun in a wonderful village environment.

6. Who will Project Manage this event / initiative?

Phil Catling Parish Councillor and Claire Styles Parish Lay Minister

7. Costs/quotes/ match funding?

Costs will be for Food and Entertainment

With approximately 240 people living in the village the budget of £2/head will be supported financially by the villagers attending.

8. Additional information
