

Area Board Project/Councillor Initiative

1. What is the project?

The Area Board has been asked to represent the Calne Community Area at the Wiltshire Diamond Jubilee event that is to take place in Salisbury on Tuesday 1st May 2012.

This is a major event in the 2012 Diamond Jubilee celebrations in Wiltshire and it is anticipated that a major member of the royal family will be in attendance.

The event will be based around the theme of a Medieval Fair and all Area Boards are being asked to take a 'medieval jousting tent' in which to display exhibits that relate to the heritage of the area alongside more current community and voluntary projects that exist.

2. Where is the project taking place?

Salisbury Cathedral Close

3. When will the project take place?

Tuesday 1st May 2012

4. Please outline:

- **Community benefits**
- **Evidence of need**
- **Links to Community Plan**
- **Community Issue**

While the Calne Area Board feels that celebrations are not necessarily a good use of its community budget. It does not believe that the local community would want to be absent from this major event and hopes that it will provide good publicity for the area, and the issues and groups that exist here.

It provides opportunities to promote the strong sense of community that exists and links to aspirations in the Community Plan surrounding Community cohesion and pride.

5. What is the desired outcome/s of this project?

The Area Board will try to create the displays using existing materials/artefacts and expertise. However it will need to fund the hire of a jousting tent/display equipment/furniture and electricity supply on the day.

6. Who will Project Manage this project?

Area Board Project/Councillor Initiative

The Calne Area Board Chairman is working closely with the Community Area Manager, the Town Council, Heritage Centre, Library, Wiltshire History Centre and local community groups to design and produce a display to highlight the historic and vibrant nature of Calne Community Area.

7. Please confirm costs and provide quotes

Total Cost of:

Tent hire
Furniture hire
Electricity Supply
Display equipment = £800

8. Additional information in support of the project

Other minor costs may be incurred in the production of displays and their transportation to and from the event. These will be kept to a minimal and will be reported at the next Calne Area Board meeting.
