How did you discover there was a need for your project ( <i>please provide evidence</i> ) and how will your project benefit your local community?  <i>Important: Please do not type/write in paragraphs – This section is limited to 1000 characters only (inclusive of spaces)</i>	This starts as a joint venture between The Salisbury International Arts Festival and Natural England. They invited the village to host the event. Neighbouring villages were invited to participate. However, on reflection, the event became too large and each village is having its own reception.
