Please outline your project below:

In order to bring the Olympics to Tockenham, we intend to adopt an Olympic theme for our annual Summer Fair this year. We have acquired an additional field in which to run traditional children's races and we have permission from necessary Landowners to hold a 5k fun run across their land.

2. Where is the project taking place?

Tockenham playing field and surrounding land.

3. When will the project take place?

Saturday 14th July at 2pm.

4. Please outline which of the criteria you feel your project meets, and why:

- Reinvigorates our local economy
- Showcases what we have and what we do so well in our area
- Promotes our strong and vibrant community spirit

>We hope to increase the moneys made at our annual Summer Fair – the proceeds of which are shared equally between the church and village hall (as well as a small percentage going to local charities.)

>The new sporting events will require extra resources of time and effort from the local community. We will need to work as a team in order to make the event successful. Also, many of the residents, both adults and children, are looking forward to competing in their own mini Olympic challenge here in Tockenham.

5. What is the desired outcome/s of this project?

>As the event is taking place less than 2 weeks before the real Olympics in London, we hope to generate a true Olympic spirit within our own community. We will be working together and playing together.

>By attracting more people from surrounding towns and villages, we hope to increase our usual turnover to give a boost to the two focal points of our community – the church and the village hall.

6. Who will project manage this project?

Tockenham Summer Fair Committee

8. Additional information in support of the project

We are hoping to get 100 runners to participate in our Fun Run –but this can obviously not be guaranteed. However, we would like the Area Board to support us with an award to cover our costs in order that all income can go towards village causes.

Notes

Please be aware that the Area Board expects those bidding for funds to have discussed their proposed project or event with their local Wiltshire Council Member and, at least in principle, to have secured their support – while the award of any funding will depend on Area Board approval.

Please note that the Area Board will not provide funding support for events which can be classed as 'street parties'.
