OBJECTIVES	EVIDENCE
1. The prevention of harm to children	Children are always playing in the park, the possible operation of a food trailer would make a smaller car parking area for us.
2. To prevent public nuisance	The smell of fried food would be disturbing the residents and car park users. There would be a lot of food and drinks rubbish exposure, possible infestation of rats, mice and other insects, flies would be drawn to be. I also would like to point out there would be no wife

OBJECTIVES	EVIDENCE
3. To prevent crime and disorder	There would be more crime in the park due to people (drunken and disorderly), you must know the amount of problems there already.
4. Public Safety	we as residents don't feel the park is a safe place anyway.

Please list below any suggested actions that you feel the applicant could take to address your concerns.

If a security personell could be employed by the council for the park.

If a hearing needs to be held to determine the Premises Licence Application, the Councillors will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree.
