Project Title/Name	Bowerhill Picnic area maintenance
Please briefly tell us about the project /activity you want to organise and why <i>Important: This section is limited to 600 characters only (inclusive of spaces).</i>	We have erected a picnic area in Bowerhill near the Kennet and Avon canal which has proved to be a very popular place for local residents to have a picnic whilst enjoying the canal. The area round the picnic benches is surrounded by grass which we are trying to convert into a wild flower area. The grass gets very tall and the only tools that we have to cut the grass are shears which as many members of the group are senior citizens is tiring work. What we need to make our life easier and to keep the area under control is two strimmers with rechargeable batteries
In which community area does your project take place? (Please give name – see section 3 of the grants pack)	Bowerhill in Melksham
Where will your project take place?	By the picnic benches in Bowerhill near the canal
